

LEVANTE

design marco spatti

**LUCE
PLAN**

Type:	Suspension
Light source:	A06/1D 27W, 2700 K, CRI 90 0-10V at 120-277 V and phase cut only 120 V A06/2D 55W, 2700 K, CRI 90 0-10V at 120-277V
Product use:	Indoor
Materials:	Aluminium structure, PET diffusers
Colors:	Matt white

Description: A chandelier of great emotional impact, based on the creative intuition of the designer, together with the research on materials, technology and design conducted by Luceplan. The size is impressive, yet the overall image is ethereal, like an organism floating in space. Levante (the name suggests lightness and wind, but also a clear reference to oriental aesthetics) stems from the intersection of three large fans, made in an unprecedented material for the design sector, borrowed from the world of food, with an appearance similar to rice paper, to spread light in a uniform way over surfaces.

Mark: 

Rating: 120-277V~50/60Hz
